

Triathlon Race Pricing and What's Included

Quoted race cost, then \$1.50 per athlete for chip preparation and rental

- ChampionChip timing for fast accurate results
- Splits for swim, bike, run, transition 1 and transition 2 (if open water mass start)
- Data Entry (pre-race and race day)
- Results Center – Posting banner for taping preliminary results
- Large timing clock at finish line
- Electronic results reports
- Listing of event on Oz Endurance website calendar
- Post results on Oz Endurance website and active.com
- Alphabetical lists of pre-registered entrants
- Bib list of entrants for race announcer
- Finish Line setup
- 1 Megaphone

*** Event personnel will be responsible for entering pre-registered athletes on an Excel spreadsheet provided by Oz Endurance. The event will provide a minimum of 2 volunteers to help with chip distribution and collection. The event will incur a \$10 lost charge for chips not recovered after 2 weeks. It is suggested that chips should be distributed race morning. The event should provide an electrical outlet within 50 feet of the finish.**
